PROPHECY OF PRENTICE.—In a recent speech before a mass meeting in Louisville, Kentucky, George D. Prentice, of the Journal, closed as follows:

"It is fit that we rejoice. It is proper that we thank God and our own indomitable Democratic souls for our prosperous deliverance. That we are to be delivered, I know and feel as well as if the spirit of prophecy was upon me. I see victory upon us as plainly as I ever saw a star in heaven. But victory presupposes a battle. To win it we must fight. And are we not prepared for the strife? Our country has long been filled with gloom, desolation and woe. A Government as horrid as a nightmare, an earth-devil or a hell-devil, sits upon our bosom. The most beautiful portion of our broad land is swept by a sea of tyranny worse than any lake of fire and brimstone. Let us then, all of us, go forth to our work. If by our own fault we fail in the mighty cause in which we are now engaged, God's curses and mankind's and our own will rest upon us."

A NOBLE SENTIMENT.—The following noble and manly sentiment, uttered by Gen. Frank P. Blair, the Democratic nominee for Vice President, will find a response in every true American heart: "The first duty of a Democratic government, should be to vindicate American honor in the matter of the imprisonment as felons of American citizens in England and Ireland, on suspicion and without proof. The prisoners should be demanded at the cannon's mouth, with proper apologies and sufficient indemnity for the outrages."

To-day we gather bright and beautiful flowers—to-morrow they are faded and dead.

To-day a wealth of leaves shade us—to-morrow, sere and fallen, they crumble beneath our tread.

KEEP IT BEFORE THE PEOPLE.—That the Radical Republican party has increased the National debt over four hundred millions since the close of the war.

That the Republican party has increased and still will increase the burden of taxation

THE PUBLIC DEBT.—Republicans, we call your especial attention to the following, which we find in the Sacramento Union:

"Robert J. Walker has published a letter stating that there has been an annual increase in the public debt of forty-six millions which he charges to radical extravagance."

Nobody should [illegible] above practicing economy. It is one of the virtues of a good life. So long as there is poverty of pocket and brain in the world, just so long will there be necessity for the exercise of this virtue

Nigger thin! nigger thick!
Nigger slim! nigger slick!
'Nigger bald! nigger-wool!

So says the Marysville Appeal.

THE DIRTIEST LOADS.—The State Guard a Radical paper published at Harrisburg, Pa., and edited by a brother of John W. Forney, is thoroughly disgusted with its own party, and fearful of a disastrous defeat, it says:

"Taken altogether, we, as a party, have the largest and dirtiest loads to carry that were ever strapped on the back of any political organization."

This, coming from a member of the Forney family, is pretty good. We trust and believe the people of Pennsylvania will dump the dirty load into the sewer where it belongs, on the 3d of November next.

MAKING THEM TAKE WATER.—The Call [illegible] two or three days, looking for those who are willing to bet that California will cast her electoral vote for Grant and Colfax Mr. Murphy is strongly convinced that California's choice is Seymour and Blair, and is willing to back his opinion to the extent of $50,000. As a general thing he made all the "gassers" take water.

FORNEY IN PRAISE OF SEYMOUR.—Honor to New York! Her Governor has acted like a man, who knows when the time of partisanship is at an end. will address the citizens of

Quincy, Friday, " 23rd,

Speaking will commence at half past Seven o'clk P. M.

THE LAST RALLY BEFORE THE ELECTION!

LET EVERYBODY ATTEND!!

FALSE REPORTS.—Democrats must be on their guard against the unfounded statements which will be put in circulation between this and election day by the radical managers. Already their presses teem with false reports and each day but add to their number. Witness the report that Chief Justice Chase has come out for Grant, and the absurd statement that President Johnson concedes Grant's election. Both are unquestionably false, and put in circulation simply to bolster up the waning fortunes of radicalism. Be not deceived by such shallow tricks. They should be regarded only as evidence of the desperate strait to which the party has been reduced.—Reporter.

The Democratic party is the revolutionary party of the United State.—Ex

Yes, under the present circumstances, we will admit that the Democratic party is the revolutionary party, and if it gets into power it will revolutionize things considerably. It will relieve a few thousand thieving officials of their office, it will lessen taxation, it will completely revolutioniz the nigger bureau arrangement, it will restore peace to the country, it will force the rich men of the nation to pay their share of the expenses of government, it will allow the States to decide upon the question of suffrage, it will shut off the Republican corruption fund, it will see that it revolutionizes matters considerably, and that is just what the Radicals are afraid of.

WESTMORELAND.—Hon. Chas. Westmoreland, was taken sick while coming from La Porte to Quincy, and was compelled to stop at Nelson Point, consequently, he did not fill his appointment to speak at this place last evening. He had a high fever and fears were entertained that he would be unable to fill any more appointments during the present canvass. "West," is said to be an able speaker. He was the leader of the Repub's in the last Assembly, and is a man of some brains, but he was beaten for the nomination for Congress by C. Hartson. The Repub's made an excellent selection—for the Democrats Westmoreland would have been a much stronger candidate, and we are glad he wasn't nominated.

ELECTION NEWS.

SEYMOUR & BLAIR.

INDIANA DEMOCRATIC!
PENNSYLVANIA DEMOCRATIC!!
NEBRASKA DEMOCRATIC!!!
OHIO GOES REPUBLICAN

The election news from the East is such as will cheer the heart of every patriot in the land. The Associated Press' dispatches are terribly mixed up, contradictory and exaggerated. The last dispatch from Pennsylvania sent from Republican source, says:

PHILADELPHIA, Oct. 14—Forty counties show a Democratic majority of 4,963. Twenty-six counties are yet to hear from which last year gave a Republican majority of 6,711.

The Democrats have gained at least seven members of Congress in Pennsylvania, four in Ohio, and three in Indiana. One of the first private dispatches to the Democratic State Central Committee, reads thus:

Hendricks of Indiana, telegraphs to Casserly that the State [Indiana] has gone for him. Also, that he has received news from Pennsylvania and Ohio, that they had gone Democratic.

The Secretary of the Committee, telegraphs as follows:

SAN FRANCISCO, Oct 14—"The most reliable news is: Hendricks is elected in Indiana. Thirteen out of twenty four members of Congress, Democratic, in Pennsylvania, and gained four members in Ohio. T. N. CAZNEAU."

A late dispatch, says:

Private Dispatches from Philadelphia are very conflicting. The majorities note Democratic gains.

But few returns have been received from Nebraska, enough however, to indicate that the State is Democratic by about 800 majority.

To show the reliability of the Press dispatches, we give the following specimens:

Forney telegraphs that the Democratic Mayor of Philadelphia is elected by about 2,000 majority. The Republicans carry the other city officials.

An hour later, a dispatch from the Republican Committee, says:

The Democrats carried the whole city ticket. The Council will be largely Republican in both branches.

The Republicans claim Ohio by 15,000, and yet admit that the Democrats gain at least four Congressmen. It would not surprise us to hear that when the election returns are all in, they will show that the State has gone Democratic by a small majority.

The Republicans in San Francisco, have commenced hedgeing. The news don't give them much joy.

SEYMOUR AND BLAIR.—The greatest mass meeting ever held in New York took place on the evening of the 5th in Tammany Hall. The Democratic torchlight procession had in its ranks, according to the estimates of an experienced police captain, over 90,000. The length of the procession exceeded two miles. The scene in Union Square was grand in the extreme. The air was literally ablaze with rockets, calcium lights, etc. The throng is roughly estimated at 500,000 persons, and stretched compactly down Broadway to Eleventh street. Tammany Hall was filled to repletion, and many ladies were present. General Baldy Smith presided, and Sanford E. Church and A. O. Hall made speeches. A letter was read from Gen. McClellan, paying a high compliment to Grant as a soldier, but declaring that the Repub party can never restore peace or constitutional supremacy, and announcing his intention to support Seymour and Blair.

Europe holds $938,400,000 in American securities.—Appeal

Pretty good investment, wan't it?

TAX.—The State and county tax on property in this county for the present year is $35,154.

GRANT ENTHUSIASM. The Zanesville (O.) Freiheits Freund, the only Republican German paper in the county, repudiates the Chicago Radical nominations, and supports Seymour and Blair.

A SICKLY EFFORT.—In his last issue the fugleman of the "Nigger Baby," in a long article, attempts to explain away the provisions of the Revenue Law and to correct his former declarations in reference to taxing Government bonds. To show the "logic" of the fugleman, we make a few extracts. He says:

"We then went on to show that the position assumed by him was a virtual abandonment of this clause."

Next, he admits that he didn't make the showing, by saying:

"We will admit this would have been more explicit if we had added the words, 'equal' and 'according to value.'"

We accept the correction.

Then, in speaking of the Federal Revenue Law, says it "is not in any manner in the general acceptation of the term, a tax." Then in less than a half dozen lines, he takes it all back and says it "is a direct tax against the rich, and not against the poor." Again we accept the correction.

He then admits that there is an Income tax which reaches all, rich as well poor, and the Government assesses and collects the tax, and also, that the Government does tax the "luxuries of life." Now, we have one, plain, simple question to put to the fugleman, and it is so simple, that we believe he can understand it. Under the Constitution, has the General Government the right to lay and collect taxes on any and all kinds of property? If they have the right to tax luxuries and see fit to exercise that right, have they not also the power to tax the "necessaries" of life, and if they saw proper, could they not exercise that right? In fine, we ask the fugleman this question: Does he deny that the General Government has the *right* to tax all Government Bonds? Remember we do not now ask if it is a wise policy to exercise that right, we only want to get at a foundation. Now, no wriggling, twisting and craw-fishing. Answer the question, yes or no, if you dare! Young man, you are caught in a trap of your own setting, and you will either have to contend against and oppose, not only the wise men and statesmen of the Republican party, but of all parties and set yourself up as the great and only expounder of the Constitution in the land, or else craw-fish, weaken and admit that you did not understand the question. Choose ye.

GO WITH THE RADICALS.—If you want to be taxed to support the negro of the South in idleness, go with the Radicals. If you want to pay for a set of useless officeholders to keep up an antagonism between the Southern negroes and their employers, go with the Radicals. If you think the families of the "freedmen" should be supported from the money you are taxed to supply the Treasury, while orphans and widows and families of white soldiers are left to provide for themselves, go with the Radicals. If you think the negro soldiers entitled to all the praise for the suppression of the rebellion, go with the Radicals. If you approve of negro suffrage and want negroes and Chinamen to vote in California, go with the radicals. If you don't pay taxes enough, and really ache to contribute a few hundred millions a year to feed, clothe and educate the negro "gentlemen," who ought to work as you have to, go with the Radicals. If you want the Government carried on for the benefit of shoddy swindlers and negroes, go with the Radicals. If you don't want a "white man's Government," go with the Radicals. If you want labor taxed and wealth protected at the expense of labor, go with the Radicals. If you want agitation and strife, business paralyzed and the country bankrupted, go with the Radicals.

SPEAKING.—J. Eastman, Esq., of Yuba county, gave the citizens of Quincy to the number of about seventy, a specimine of one of his Radical Republican harrangues at the Court room last night. Personally, Eastman is a first rate fellow, a man of ability, sharp and keen, and competent to make a good political speech, but his effort last night was a success in only one particular, he did succeed in disgusting nine tenths of the audience present. It was rich, so rich that several republicans left the room whereupon Eastman truthfully remarked, "I have succeeded in disgusting them fellows". We are only sorry that time prevents us from giving a few extracts, we would like to see the speech printed and circulated. If Eastman will speak in every precinct in the county, Plumas would give two hundred majority for Seymour. Come on with your speakers. Have you heard from Indiana and Pennsylvania?

If a frog at the bottom of a well jumps up four feet and falls back six every jump, how many jumps will bring him out?—Plumas National.

As you have failed to state the depth of the well, we cannot of course calculate the exact number of leaps that it would take him; but supposing the well to be fifty feet deep, we think his frogship would arrive at the top about the time that Grant is elected President, of the United States.

GONE UP.—The Radical Republican party in San Francisco, recently held a convention to nominate candidates for city officers. During the session one of the members was expelled and another censured for buying and attempting to buy and sell votes. To show the feeling of the independent press in that city in regard to the matter, we copy the following extracts from the Morning Chronicle. It says:

"Things have come to a frightful pass in San Francisco. Here is a great city of some one hundred and forty thousand inhabitants that permits itself to be managed, duped and swindled by a few worthless scoundrels who make a trade of politics."

"If the political shysters who make a trade of politics and who contrive to get themselves elected as delegates to nominating conventions find that the people will not elect their candidates, their occupation will be gone."

"Why will our citizens permit scoundrels to nominate themselves or their friends to important offices? And why will they elect the scoundrels after they are nominated?"

The Republican goose hangs extremely high in San Francisco. Not a man nominated on the ticket will be elected.

The party contesting for the control of this Government, is the same party that paralyzed the arm of industry, by loading it down with burdens by taxation to the enormous sum of over twenty-five hundred millions of debt.—Butte Record.

Friend Crossette should be more careful. He should remember that he is *now* publishing a Radical Republican paper. He doubtless forgot that when he penned the above, for it cannot be possible that he referred to the Democratic party as the one that is loading down Government with such enormous burdens of taxation. Be more *prudent* hereafter, friend C.

LOCAL ITEMS.

DEMOCRATS.—Remember that the Election Boards meet on the 3d day before the election, and if you know of any Democrat not already enrolled, it is your duty to urge him to do so at that time.

WATCH OUT.—Our citizens should examine their stove pipes and see to it that they are in good order. A little trouble now, may save then from loss by fire during the winter.

PLUMAS.—The "Baby" claims 125 majority for Grant in this county. Where is the Republican that will bet on it? Plumas is safe for 25 majority for Seymour and Blair, and the "Baby" is well satisfied that such is the case. It wanted to make a blow, that's all.

BETTING.—An enthusiastic Repub offered to bet that of any seven States a Democrat would name for Seymour, he could pick out one that would go for Grant. The bet was taken—Democrat. named New York, New Jersey, Delaware, Maryland, Kentucky, Mississippi and Georgia. The Repub chose Mississippi.

OFF THE GRADE.—On Tuesday last, while coming up the China grade from Taylorville, one of the wagons having on board a part of Haun's threshing machine, slipped off, turned over and scattered the load. But little damage was done. The party were delayed for some time in getting things righted again.

A CHANCE.—The Chico Caucasian gives Miss A. E. Taylor, a Plumas school teacher, a notice of her handiwork at the Butte Fair, and adds: "She not only possesses the delicacy common to females, but she is as brave as a Stonewall Jackson Rebel, all of which, thank God, she is. * * * * Here boys, is game worthy your ambition, and if you do not attempt its capture you ought to be—we'll tell you at another time

FIRE—On Thursday morning last the dwelling of Capt. C. A. Hersey, on Hungarian Hill, near Quincy, was destroyed by fire. The fire originated from a defective stove pipe. It was discovered while the family were eating breakfast, but had got under such headway that all attempts to extinguish it were in vain. Capt. H. saved considerable furniture, clothing, etc. The loss is about $1,200. No insurance. Mr. Scurr, who was boarding with him, lost all his clothing, etc.

COMING.—Wilton's Dramatic Troupe will perform at the Plumas House Hall, this Saturday evening. The troupe is highly spoken of by the press of the State and we hope to see a large turn out. The entertainment will commence with the great sensational drama in three acts, entitled, Madaline, or the Drunkard Reformed. Then an interlude of songs, dances, etc., to conclude with the farce of Nan, the Good For Nothing. Admission One dollar.

SAD ACCIDENT.—On Tuesday [illegible] last, a little girl, the youngest [illegible] R. Buckbee, met with a sad and painful accident. The circumstance were as follows: An older sister was building a fire in the fire-place and had lighted a candle and placed it on the floor, when the little one, who was standing near by, heard its mother coming home and in its anxiety to run to meet her, run over the candle and set its clothes on fire. The larger child [illegible] the fire as soon as possible, but before it could be extinguished the little one was badly burned on the breast, neck and face. We are plesed to learn that it is doing well and that the injuries are not supposed to be dangerous.

WILLOW CREEK.—There are about 100 Mexicans mining on Willow Creek. The quartz claims are not being worked at present. The Coquette Ledge, owned by Keen, Warner & Co., is doubtless, one of the richest gold bearing quartz ledges in the county. Some very rich specimens have been taken from it. Libby & Marlette are at work with a hydraulic on the point of the ridge between Willow Creek and the Middle Fork, at a place called Mt. Arrarat. They are averageing about $6 per day. This Company, own the water ditch and all the water running on to the hill. There is a ledge, almost inexhaustable, of hard cement in the hill which will pay from 5 to 10 cents to the pan, and Messrs, Libby & Marlette contemplate putting up a mill to crush it, next season. If the deposit is as rich and extensive as it is reported to be, it will in a short time become one of the best and liveliest mining localities in the county.

REPUBLICAN MEETING. On Saturday evening, about seventy persons, one half of whom were Democrats, assembled at the Court Room to hear speeches made by Messrs. Jesse O. Goodwin and E. D. Wheeler. It was a *very* enthusiastic meeting—not a cheer was given, or called for by the President. The speeches of the two gentlemen—we call them gentlemen because they are entitled to the name, and made gentlemanly speeches—were somewhat singular. Mr. G. who spoke first, was an old line Whig, and pitched into the Democratic party and reviewed their record from the time of Washington; he gave the party particular fits. But when Mr. Wheeler spoke, he took issue with Goodwin—he had always been a Democrat—and believed it was right, that it was the champion of the people, etc., etc. It was certainly amusing and was highly appreciated by the Democrats. As we before stated, both speakers acted the part of gentlemen, and can be appropriately classed among the best stump speakers in the State. It is a pleasure to listen to such men discuss the issues of the day. The Repub's should be ashamed of themselves for not giving them a better turn out and showing a little more enthusiasm.

THE EDICT COUNTERMANDED. The Edict issued by the County Clerk through the columns of the National to the officers of the Election Boards in the First District has been countermanded. The National in referring to the edict, says:

"We have since become satisfied that it was incorrect, and that nothing of the kind is necessary."

Very good so far, but when that paper in giving as an excuse for the order, says, "the error arose from the fact that the election for Supervisor was thought by the County Clerk to be 'special' instead of being a 'regular' election for that officer," it makes a pretty mess of it, for *if it was* a "special" election to fill a vacancy in office and was upon the day set for a general election, but one ballot box would be required or allowed, and no voter could vote but once. That little arrangement for separate voting got nipped in the bud. What's the next move?

IGNORANCE OR KNAVERY.—We have it from good authority that the Republican Clerk of the Election Board in one of the precincts in this county, enrolled the name of an alien upon the precinct poll list, with the understanding and promise that the party alluded to should procure his naturalization papers from the court before the day of election. The Clerk had the idea, that unless he was enrolled thirty days before the day of election he could not vote. That part of it was ignorance, but that of his enrolling an alien, was that ignorance to [illegible] Section 35 of the Register Law impo ses a fine not exceeding $1,000 or imprisonment in the States Prison for a term not less than one year upon *every* election officer who shall willfully or fraudulently enroll or [illegible] any person to be enrolled *knowing* him not to be qualified etc. It will do no harm, and may result in good if the Republican officers of the Election Boards in this county will carefully read the Amended Register Law. It may save them considerable trouble.

PREACHING.—The Rev. W. J. Waite will preach at the Court House, to-morrow (Sunday) evening at 7 o'clock.

A SNAKE STORY.—Old Deacon Sharp never told a lie, but he used to relate this: He was standing one day beside a frog pond—we have his word for it—and saw a large garter snake make an attempt upon an enormous bull frog. The snake seized one of the frog's hind legs, and the frog to "get even" on his snakeship, caught him by the tail, and both commenced swallowing one another until nothing was left of either of them.

OVERLAND MAILS.—Arrangements have been made by the Postoffice Department for sending all mail matter for the Pacific States and Territories overland. The arrangement includes all matter going to British Columbia, China, Japan, and the Sandwich Islands. People will now be able to get Eastern papers on this coast within ten or twelve days of the date of publication.

VIRTUE.—Virtue is one of the brightest ornaments that can adorn the human form. It showeth up the beauties of the mind, and is a jewel of which the wearer may be justly proud, without the fear of offending God.

A man in London lately kept the body of his daughter in the house seventeen days, until he could get up a raffle to pay the funeral expenses.

WORK AND PLAY.—"Hiram," said a farmer to his hired man, who was working in the rain, "it looks as if it might rain. S'pose you leave off work and go play dig cellar."

It is said that when a Russian husband neglects to beat his wife for a month or two, she begins to be alarmed at his indifference.

LOOK TO THE REGISTER.—Every citizen should remember—

First—That he cannot vote unless his name is on the Great Register of his county.

Second—That he cannot vote unless his name is on the poll list of the ward or district in which he resides.

Third—That while the Great Register lasts forever the poll lists are good for one election only, and that a new poll list has to be made for each election.

Fourth—That while it may be the duty of the Clerk of the Election Board to put on the new poll list the names of all parties on the old one whom he personally knows to be still residing in the district, he may neglect to do so; and he cannot know them all, however anxious he may be to do his duty.

Fifth—That the only way to be certain of the right to vote is for each citizen to see for himself that his name is on the poll list.

Sixth—That it's the duty of all parties to vote at the coming Election for Seymour and Blair, and to do so they must look to the poll list.

STATE REGISTRY BOARD.—The following resolution was adopted by the State Board of Registry at a meeting held the 16th day of September, for the guidance of County Clerks and Boards of Registration in regulating and enrolling voters:

Resolved, That for the purpose of avoiding burdensome expense to voters, the following rules and regulations be adopted, under the thirty-eighth section of the Registry Act, for the government of County Clerks and Clerks of Election: First—That no personal application need be made for the transfer of the name of a voter, either on the Great Register or poll list, but such application may be made by any respectable third person, and the certificate of transfer of registration may be presented to the County Clerk of any county to which the voter has removed by any person for him, and no affidavit or personal application for registration in the latter county shall be required unless the County Clerk shall have reason to suspect the good faith of the application. Second—That it shall be the duty of each Clerk of Election to copy from the preceding poll list of his precinct the name of every voter who is not known by him to have removed from the precinct, or to have died or become disqualified.

PRESIDENTIAL ELECTORS.—Suppose all the States are allowed to vote for President, there will be 319 votes in the electoral College of 1868, as follows:

Alabama	8	Mississippi	7
Arkansas	5	Nebraska	3
California	5	Nevada	3
Connecticut	6	New Hampshire	5

PRIVATE
MEDICAL AID

Quick Cures & Moderate Charges.

DR. W. K. DOHERTY'S
Private Medical & Surgical Institute

Sacramento street, below Montgomery, opposite the Pacific Mail Steamship Co's office.
Private entrance on Leidesdorff street.
SAN FRANCISCO.

Established expressly to afford the afflicted sound and scientific Medical aid, in the treatment and cure of all Private and Chronic Diseases, cases of secrecy, and all sexual disorders.

TO THE AFFLICTED.—Dr. W. K. Doherty returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his institute for the cure of chronic diseases of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all private Diseases, viz: Syphilis in all its forms and stages, Seminal Weakness, and all the horrid consequences of self-abuse Gonorhoea, Gleet, Strictures, Nocturnal and Diurnal Emissions, Sexual Debility, Diseases of the back and loins, Inflammation of the Bladder and Kidneys, etc., and he hopes that his long experience and successful practice, will continue to insure him a share of public patronage. By his practice of many years in Europe and the United States, he is enabled to apply the most efficient and successful remedies against diseases of all kinds. He uses no mercury, charges moderate, treats his patients in a correct and honorable way, and has references of unquestionable veracity from men of known respectability and high standing in society. All parties consulting him by letter or otherwise will receive the best and gentlest treatment and implicit secrecy.

DR. DOHERTY would call attention to the following certificates, from two of his patients, who, having fully recovered their health, desire to make known their remedial agent. It will be seen their statements are fully authenticated by a Notary Public.

The welfare of society imperiously demands their publicity and they are given more to warn the unwary than to sound the praises of a Physician, of whom hundreds of like cases can be cited. during a practice of more than fifteen years.

A CASE OF GLEET AND STRICTURE:—
Dr. Doherty—Dear Sir: I feel my health so fully restored, that in common gratitude, I believe I should make some written acknowledgment for your valuable services—particularly so as your fee was small for the work performed. I arrived in this city from the East about one year ago, and was then suffering from an old case of Gleet, complicated with strictnre. Being a stranger in this city, and believing those doctors who gave such positive assurances of success were necessarily the best (some of whom have a large number of titles,) I placed myself in their charge and continued under their treatment until I had lost nearly all hope and a considerable sum of money. I wish to say now that you are the sixth Doctor I have employed, and the only one that has ever done me any service. My Gleet is wholly cured, the stricture is all removed, and my general health is better than it has been for years. In conclusion I would say to the many unfortunates who require medical advice, if you have any doubt as to whom you may employ, ask Dr. Doherty for my address, and call and see me, (I keep store in this city.)—My experience may save you many dollars. I would also add that in the early stage of my disease, I used a large amount of the preparations advertised as an infallible cure for Gonorhoea, Gleet, etc., but never derived any benefit from them. I am, Doctor, very truly yours. L—— H——
San Francisco, June 16th, 1864.

Subscribed and sworn to before me, this 21st day of June, 1864. A. S. GOULD, Notary Public.

SEMINAL WEAKNESS.—A sworn to certificate of a most remarkable cure of Spermatorrhoea—A desire to benefit humanity, and a feeling of gratitude to Dr. W. K. Doherty, alone induces me to make this statement. For many years I had been afflicted with that fearful disease known as "Spermatorrhoea," or Seminal weakness, the result of self-abuse, but till 1855 experienced but little trouble or inconvenience in that year, however, I had Seminal weakness to a fearful extent, which was soon followed by the most alarming symptoms, as weakness of the back and limbs, pain in the head, dimness of vision, nervousness and general debility. My mind too, was affected to such an extent as to seriously impair my memory; my ideas were confused and spirits depressed, I was averse to society, had evil forbodings and self-distrust and was entirely unfit for any of the duties of life. From 1855 to the summer of 1863, I employed the very best medical talent I could find, and spent several hundred dollars but in no instance obtained more than temporary relief. I had about concluded there was no relief for me in this world, but reading Dr. Doherty's advertisement I thought I should call and see him, as he charged nothing for consultation. I had an interview with the Doctor, at his office in Sacramento street, and his fee for treatment was so reasonable, I determined to try him, though I did not expect much benefit from his treatment. On the 5th day of December last I placed myself under his care; in one week, I found myself very much improved, and now, after five weeks treatment, I feel myself thoroughly cured of all my troubles, and in the enjoyment of the best of health. Hoping that my experience may be of benefit to others similarly afflicted, I subscribe myself
JAMES JOHNSON.

Subscribed and sworn to before me, this 15th day of Jan, 1864. A G. RANDALL, Notary Public.

TO FEMALES.—When a female is in trouble or afflicted with disease, as weakness of the back and limbs, pain in the head, dimness of sight, loss of muscular power, palpitation of the heart, irritability, nervousness, extreme urinary difficulties, derangement of digestive functions, general debility vaginitis, all diseases of the womb, hysteria, sterility, and all other diseases peculiar to females, she should go or write at once to the celebrated female doctor, W. K. Doherty, at his Medical Institute, and consult him about her troubles and disease. The Doctor is effecting more cures than any other Physician in the State of California. Let no false delicacy prevent you, but apply immediately and save yourself from painful suffering and premature death. All married ladies whose delicate health or other circumstances prevent an increase in their families, should write or call at Dr. W. K. Doherty's Medical Institute, and they will receive every possible relief and help. The Doctor's offices are so arranged that he can be consulted without fear of observation.

TO CORRESPONDENTS.—Patients residing in any part of the State, however distant, who may desire the opinion and advice of Dr. Doherty in their respective cases, and who think proper to submit a written statement of such in preference to holding a personal interview, are respectfully assured that their communications will be held most sacred and confidential.

If the case be fully and candidly described, personal communication will be unnecessary, as instructions for diet, regimen, and the general treatment of the case itself, (including the remedies) will be forwarded without delay, and in such a manner as to convey no idea of the purport of the letter or parcel so transmitted. Consultation—by letter or otherwise—FREE. Permanent cure guaranteed or no pay. Address,
W. K. DOHERTY, M. D.,
San Francisco, California.

Spermatorrhœa.

DR. DOHERTY has just published an important pamphlet embodying his own views and experiences in relation to Impotence or Virility, being a short treatise on Spermatorrhœa or Seminal Weakness, Nervous and Physical Debility consequent on this affection, and other diseases of the Sexual Organs.

This little work contains information of the utmost importance to all, whether married or single, and will be sent FREE by mail on receipt of six cents in postage stamps for return postage.
Address, W. K. DOHERTY, M. D.,
San Francisco, Cal.

Opinions of the Press.

DR. DOHERTY is a skillful Physician and honorable gentleman; any statement he makes to his patients he is sure to fulfil. That fact is one great cause of his eminent success in his profession. It is fortunate that among the many advertising physicians there is one who can be depended on.—[Review.

DR. DOHERTY ranks as one of our most distinguished Physicians and also one of the most successful, which is now the criterion by which the medical practitioner is judged.—[Echo.

DR. DOHERTY enjoys a more extensive practice than any practitioner in this State.—[Express.

DR. W. K. DOHERTY.—Persons going to San Francisco in search of medical aid, should by all means call on the above person at his Institute.—He is a gentleman of rare scholastic and scientific attainments, and is well worthy the extensive patronage he receives from all parts of the State.—[National. v6-n28-1y.

MEDICAL INSTITUTE,
ESTABLISHED BY
DR. J. C. YOUNG, IN 1850.
536 Washington Street,
Below Montgomery,
SAN FRANCISCO.

Consultation by letter or Otherwise, Free.

IT WOULD BE EQUALLY USELESS AND UNNECESSARY to enumerate here the Diseases cured at the Institute. All classes of Complaints are treated; but I consider it my duty to mention those of a special nature, as upon such the unfeeling and irresponsible quack dwells, with phrases well calculated to deceive those ignorant of the emptiness of his profession.

First among the special complaints is

SEMINAL WEAKNESS.

I am aware that by dwelling upon so uninviting a subject as the decay of manly vigor through the loss of the vital principle of life, the ignorant may asperse my motive; but the desire to point out to those who suffer languish and decay, the true cause of their affliction, is too great an incentive to be forced into abeyance. How extended the terrible disease of Seminal Weakness is, no one but the practical specialist who devotes his time to its treatment can tell, but its presence can be detected by the most inexperienced by noting the following symptoms: Weakness of the back and limbs; languishing feelings; loss of muscular power; nervousness; irritability; cold feet and hands, accompanied by hot head; symptoms of consumption; short breath flushings of the face; aversion to society; confusion of the mind; loss of memory; nightly emissions; colorless, slight discharges upon the least excitement; trembling; palpitation of the heart; irregular appetite; variable temper, etc.

YOUNG MAN if you experience any of the various symptoms enumerated above, pause to consider. The present is the golden moment in which you may secure health and happiness. You may feel strong now, but if you have ever practiced the vice of self-abuse even in the slightest degree, you have the seeds of the weakness in your system, and their undermining influence will, sooner or later, dash the fair edifice of your strength to the ground, leaving you a helpless, abject being. It is not a disease that declares itself at once. Therein lies its great danger; for while the patient is being treated for some supposed affection of the Heart, Lungs, Brain, or Digestive Functions, he sinks into a general debility that soon adds him to the list of the victims of the terrible disorder, Seminal Weakness.

See in the bent form and languishing steps, the poor victim of the fascinating vice! Mark the course of the destructive complaint in the hollow cheek and dull eye!

Drowsiness is one of the premonitory symptoms. At first it is easily shaken off, but it grows eventually into a great disinclination to pursue his regular business. The mind becomes apprehensive, and restless nights succeed days of depression.

It is the nature of the complaint to assume sudden changes that leave the poor victim but little hope of recovery. In a single instant it may wither your fond hopes and blast your honest aspiration.

Marriage is sought by a natural impulse as a hope of relief. This is an error of the first magnitude, for the system unprepared for the exigencies of the occasion, suddenly fails, and he finds himself in a deplorable condition, from which there is but the slightest hopes of recovery. Or if the marriage should result in offspring, they are puny, distorted, decrepit and degenerate.

AN UNSOLICITED
TESTIMONIAL OF CURE.

Let all who are afflicted with Seminal Weakness read the sworn-to-Certificate, first published without the Doctor's knowledge. A remarkable case.

[Revenue stamp.] This is to certify that I was afflicted with Seminal Weakness to a degree that brought on severe fits. The trouble commenced about three years ago, when I first learned that the practice of self-abuse was ruining me. I first had nervous trembling of the limbs, pains in my back, and trouble in my mind, a confusion and loss of memory, and other debilitating symptoms of seminal weakness. I gradually grew worse and worse until finally the Fits came on. At first I only had a momentary loss of mind a diziness. This grew worse, until in a short time, I would remain in a confused state—for some after I had them in my sleep I was satisfied that I must be cured, or I would perish miserably in one of the attacks that now became as frequent as twice or three times a day, seizing me without warning and prostrating me to the earth, where I would remain for an hour insensible. I lost all recollections of persons and things; I could remember nothing for two minutes, but my great sufferings. I swallowed box after box of *patent remedies*. Nothing did me good. In despair of ever being well I prayed for death. But I was not to die, for help was at hand. My friends visited the *Dr. J. C. Young Institute*, and I was placed under the care of Dr. Benj. F. Josselyn. I very soon experienced a change. I grew better and better. I could go to work. My mind became clear. The Fits grew lighter. I was soon perfectly free from them, and now for over two months, I have not experienced them at all. All the symptoms of seminal weakness are gone, and I feel as well as I ever did. It is to DR. BENJ. F. JOSSELYN, that, under God, I owe my life; and from the gratitude I owe him, I give this, *my testimony* of his skill and success. If this should induce any one unfortunately afflicted with seminal weakness to submit their case to him, I shall feel that I have in part at least paid the great debt I owe. BENJAMIN BROWN. [Seal.]

[Revenue stamp.] Subscribed and sworn to before me this 1st day of December, 1864.

IMPORTANT TO PERSONS

afflicted with Venereal: There are no maladies worse than those arising from the contamination of venereal poison. None are more terrible in their effects, or more disastrous in their results. After upwards of twenty years' practice in diseases of a private nature—fifteen of which have been in this city—I unhesitatingly declare that *Mercury* will not cure *Venereal, but dries it on the surface, to allow it to poison the blood*, to reappear in hideous marks upon the body, and in the throat, mouth and nose: Those who have had any form of Venereal, and were treated with Mercury were not cured, but they still have the festering virus lingering in the system and feeding upon the delicate tissues to be communicated to the wife or transmitted to the children. As terrible as it is in the person who contracts it, it becomes of still greater importance when transmitted to innocent offspring, whose sore heads, cankered mouths, diseased limbs, running eyes and blotched skin are the constant reproaches to the sins of the parent. Be warned in time and secure health by applying at the Dr. J. C. Young Institute.

The Doctor effects a cure in recent cases in a few days; and finds no difficulty in curing those of long duration, without submitting the patient to such treatment as will draw upon him the slightest suspicion, or oblige him to neglect his business, whether in-doors or without. The diet need not be changed. Cure always guarantied or no pay required.

Only purely vegetable remedies used.

IMPORTANT TO FEMALES.

When a female is in trouble or afflicted with disease and requires medical or surgical assistance the inquiry should be: Where is there a physician who is fully competent to administer relief, and whose respectable standing in society Will recommend him to the confidence of the community? The Doctor, understanding how imperatively necessary these requirements are, feels called upon to interpose, and by calling the attention of the afflicted to the fact that he has been a Professor of Obstetrics and Female Diseases for twenty years, and is fully qualified to administer in all cases, both medically and surgically, not in a superficial manner, but in as thorough a manner as years of study and practice—both in hospital and private—can make, to save them from the hands of the unqualified, unscrupulous and designing. Therefore families can rely upon him as upon a father. All in affliction can find in him one who can feel and sympathise with and befriend them in trouble—one in whose secrecy the utmost confidence can be placed—consultation by letter or otherwise free. See address below.

The celebrated female remedies compounded from the private prescription of Dr. YOUNG, have now obtained a most extensive popularity, and are correctly viewed to be the safest and surest remedies for the complaints for which they are applied. The constantly accruing testimony of efficacy declare them to be pre-eminently superior in their action.

No lady should be without these renovating agents. None genuine unless prepared at this office. Sent by mail or express to any part of the State. The [illegible] Female Medicines: PREVENTIVE POWDERS [illegible] safe and infallible [illegible] FRENCH LUNAR or Female Monthly Pills for suppressions. After fifty years of use [illegible] unrivalled in efficacy [illegible] per box.

To Corespondents:

Persons in the interior are often deterred from consulting the Doctor because they cannot spare the time or incur the expense of a visit to the city. To such be would say that a plain statement of the symptoms and information bearing upon the complaint will enable him to prescribe for them so that they can be cured at home. None need have any false delicacy about writing no matter what the nature of their complaint, as the communication will be received only by the Doctor and will be treated with the utmost confidence and either be returned or destroyed. Consultation Free. Address thus—

DR. PERRAULT has pleasure to inform patients and others seeking confidential medical advice that he can be consulted daily at his office, Armory Hall Building, North-East corner Montgomery or Sacramento streets.

DR. PERRAULT's studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruit tasted long afterward; patients laboring under this complaint, will complain of one or more of the following symptoms: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urethra on going to stool or making water, the Intellectual faculties are weakened, Loss of Memory ensues, Ideas are clouded, and there is a disinclination to attend to business or even to reading writing, or the society of friends, etc. The patient will complain of Dizziness, Vertigo, and that Sight and Hearing are weakened, and sleep disturbed by dreams, melancholy, sighing, palpitation, faintings, coughs and slow fever, while some have external rheumatic pain, and numbness of the body. Some of the most common symptoms are pimples in the face, and achings in different parts of the body. Patients suffering from this disease, should apply immediately to Dr. Perrault, either in person or by letter, as he will guarantee a cure of Seminal Emmissions and Impotence in six to eight weeks.

Patients suffering from venereal diseases in any stage, Gonorrhoea, Gleet, Strictures, Bubo Ulcers, Cutaneous Eruptions, etc., will be treated successfully. All Syphilitic and mercurial taints entirely removed from the system.

Dr. Perrault's diplomas are in his office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best refferences given if required.

Patients suffering under chronic diseases, can call and examine for themselves. We invite investigation; claim not to know everything, nor to cure everybody, but we do claim that in all cases taken under treatment we fulfill our promises. We particularly request those who have tried this boasted doctor and that advertised physician, till worn out and discouraged, to call upon us.

Female Monthly Pills.

DR. PERRAULT is the only agent in California for Dr. BIOT's Female Monthly Pills. Their immense sale has established their reputation as a female remedy, unapproached and far in advance of every other remedy for suppressions and irregularities, and other obstructions in females. Persons at a distance can be cured at home, by addressing a letter to Dr. Perrault, corner of Sacramento and Montgomery streets, Rooms 10 and 11, or Box 973, P. O. San Francisco, stating the case as minutely as possible, general habits of living, occupation, etc., etc.

OUR Last new addition to our different scales is attracting the admiration of both critics and populace. We mention specially some of the claims of this new Piano.
